

Swaddling Clothes Update

Several months ago, our congregation started supporting poor and needy families with newborn and young children in our community. Redeemer's Life Team has chosen this as our primary activity as we speak and work for the sanctity of life in our community.

We have been able to help our dozens of families in taking care of and providing for the children that God has blessed them with. We helped with hundreds of articles of clothes, packages of bids, blankets, and the other small odds and ends needed, dozens of packages of diapers, and wipes, and many of the larger items that are needed.

Thank you to everyone who has helped out and donated. This is not a project that we would be able to do without the help and support of the congregation. It is truly a blessing to be able to help families in our area. We continue to rely on your support.
