Welcome, Michelle Gray

It is a privilege to introduce Michelle Gray, our new organist at Redeemer. Michelle L. Gray began playing piano at age 8, joining band and choir at the same time. During high school, she decided to take time off from lessons but continued to accompany the junior and senior high choirs. She attended Concordia University in Ann Arbor, MI, earning her Bachelor of Arts degree in church music and piano pedagogy. While at Concordia, she once again felt drawn to the piano, taking lessons again as well as learning to play organ. Michelle also expanded her music skills into voice and flute.

After graduation, she had the privilege of serving at several congregations throughout Michigan and Oregon. Michelle received her certification in piano technology from North Bennet Street School in Boston and currently works as a Registered Piano Technician at Steinway Piano Gallery in Spanish Fort.

Please extend a warm welcome to Michelle Gray! We are blessed to have her share her time and talents at Redeemer.
